

PREVAIL

Hero of the Month!

July 2021

The Tom Wood Volkswagen Team is the very definition of a Prevail Hero!

Mike Bragg and his team have made an ongoing commitment to Prevail since 2018 and we are so grateful to them!

They have placed ads in the paper recognizing the work that Prevail is doing (that continue in each issue to this day), they have answered the call when we needed items such as water or snacks for the youth program, they have sponsored events, and stood with Prevail on ALL of our awareness month campaigns, and they collect items for Prevail EACH WEEK. Even the pictures they take in support of Prevail have inspiring messages to show the survivors of our community that they are safe, supported, and believed!

All of us at Prevail are humbled by the outstanding commitment that the team at Tom Wood Volkswagen Noblesville has made to support our mission. We could not do it without you!

Thank You Tom Wood Volkswagen in Noblesville!
You are our HEROES!
