

PREVAIL

Hero of the Month!

January 2018
Midwest Eye Consultants

In 2017, the Midwest Eye team made a huge and lasting impression on Prevail! They banded together to fill the majority of the volunteer positions needed for not just one, but two of Prevail's largest fundraising events. They took the time to sign up for open positions, complete trainings, and spend two of their Saturdays working alongside Prevail at the Bowl-A-Thon Challenge and our Signature Gala.

When asked if they would be interested in helping out again for 2018, there was no hesitation and they answered with an enthusiastic "YES"! Their team is fun-spirited, organized, and helps not only Prevail but so many organizations with needs. The community is very blessed to have an organization so eager to give their time to others.

The gift of time is priceless to Prevail, and we cannot thank them enough for all they did for us and all they are continuing to do!

Thank you Midwest Eye Consultants! You are our Hero!
