PREVAIL
Hero of the Month!

Fishers Sertoma has been a partner of Prevails since they became a club almost 15 years ago. Since then the club has been generous, passionate and committed to the Prevail mission. Fishers Sertoma has helped not only financially, but they have also given their time as a club and as individuals and have given thousands of victims of crime and abuse hope.

Not only will you see Fishers Sertoma at our events but whenever Prevail has presented the club with a special need, Fishers Sertoma is immediately there to fulfill it. One example is when Prevail was in need of a sponsor for Odle, our full-service facility dog. Odle is a 5 year old Double Doodle and one of our busiest "advocates". Fishers Sertoma responded to this need and became Odle's sponsor providing for his veterinarian care and food.

We are grateful for Fishers Sertoma's partnership and are honored to call them a Prevail Hero!
Thank you for your voice and your values which helps so many!
